

## Certificate of Compliance

### Manufacturer:

HAYWARD Industries (Wuxi) Co., LTD  
Block K4-A, Export Processing Zone,  
Wuxi New District, Jiangsu Province, China 214028

### Product Description:

Power Line Sand Filters

### Product series:

Hayward Power Line Series Sand Filters

Models: 81100,81101, 81102, 81103, 81104, 81113, 81114

Date of Mfr: The Lot Number shown on the product label contains the Year & Month of manufacture.

The first number represents the year (ex 1 = 2011) and the second character the month (A=Jan, B=Feb, H=Aug, I is skipped, J=Sep, etc)

The listed Models are manufactured to 3.5 Bar working pressure designs with a design burst in excess of 5.5 Bar at 22°C.

The materials of construction of the bodies are FDA 21 food grade listed.  
Other materials of construction include NSF-50 listed parts.

The vessels designs have undergone extensive qualification testing to internal Hayward Pool Product standards, including resistance to standard swimming pool chemicals, and cycle testing on various models in the product line.
